

The Lion the Witch and the Wardrobe

What's that? SUSAN

I'm too scared to look? LUCY

It's a miracle...I can't believe my eyes. SUSAN

Is it more magic? LUCY

Yes! It's more Magic. ASLAN

Oh Aslan! Aren't you dead, dear Aslan? LUCY

I am not dead. Not now. ASLAN

What does it all mean? SUSAN

ASLAN
It means that although the White Witch knew the Deep Magic well enough, her knowledge only goes back as far as the dawn of time. If she could have looked back a little further, into the stillness and darkness of before time began, she would have known there is a deeper, older, better magic. She would have known of a different spell, another incantation. She would have known that when a willing victim died in the place of a traitor, the Stone Table would crack, and death itself would work backwards.

Which all means that you are alive. SUSAN

You're really, really alive? LUCY

Yes, I am. ASLAN

Not a ghost? LUCY

Do I look like one? Pinch me. ASLAN
