

The Lion the Witch and the Wardrobe

FOX

I wonder how long we've been like this.

HARE

Where is this blasted Witch? I will show her what she can do with her magic wand!

SQUIRREL

Take it easy.

FOX

Aslan's on the move.

HARE

He will take care of everything. *(ASLAN walks over to re-animate a lion statue...a lot smaller than he but still a lion.)*

SUSAN

Is it safe?

ASLAN

It's alright! Once the feet are put right, all the rest of him will follow.

SUSAN

That wasn't exactly what I meant.

RUMBLEBUFFIN

Bless me! I must have been asleep. Now! Where's that dratted little Witch that was running about the ground? Somewhere by my feet it was.

LUCY

She's not here.

RUMBLEBUFFIN

Where's she off to, then? I've got a word or two to say to her.

ASLAN

Don't worry, we'll find the Witch.

RUMBLEBUFFIN

Aslan! The true and great Aslan! I beg your pardon sir. I-I-I...am humbled to be in your presence your wonderfulness, Sir. Please allow me to...*(ASLAN growls...RUMBLEBUFFIN stops babbling.)*

LUCY

Aslan! Aslan! Aslan! I've found Mister Tumnus. Oh, Mr. Tumnus. *(ASLAN walks over to awaken him as RUMBLEBUFFIN follows.)*

LUCY

Oh! Mr. Tumnus...you are all right.
